TEXAS DISTRICT.

The Texas District is made up of twenty-one Pastoral Charges, and contains fifty different societies.

Seven full members of the Conference, two probationers and eight "supplies" constitute our Ministerial working force. Two of our Pastors have had oversight of two Charges each during the year, and we close it with two Charges having no pastor, Hughes Springs and Lyford.

Dr. W. E. Harrison was given permission in September, to go to Wilmore, Ky., and teach in Asbury College, and

Bro. O. J. Ackerman was relieved of his charge to attend school at Evanston, Ill. With the exception of these, the men appointed to the Charges at our last Session of Conference have remained and will make reports.

Evidences of the abiding presence of Father, Son, and Holy Ghost have been witnessed and enjoyed on every charge during the Conference year. Not a member of any Parsonage Family has been taken from among us by death.

Revivals have been held on almost every Charge with encouraging results. Special emphasis has been placed on Life Service, and from among the scores of "Volunteers" eight have indicated a definite call to the Ministry or Missionary Work. Seven of our men are now in Institutions of Higher Learning preparing for the Ministry; our young people, like those of other sections of the world are fully aware of the fact that only the thoroughly trained and fully consecrated will be listed with "the efficient" Ministry of tomorrow.

The merits of the Centenary and our obligation to do our part in maintaining and building the Kingdom of God through the Methodist Episcopal Church has been kept before Pastors and people, and each has been repeatedly urged to at least meet their quota.

From some of the larger Charges the Centenary and Benevolent claims will be paid in full, but from quite a number of those more scattered works, where the Pastors have failed to get the program of the Church clearly before the membership, and from some where financial reverses have been experienced the returns will be disappointing. We have not succeeded in properly organizing for aggressive work on all the Charges. On at least two Charges there has been no systematic, every member canvass in the interest of other claims than the Local Budget. Only those familiar with local conditions can fully understand why this is the case.

The District will show a very credible increase in Ministerial support over any previous year, though we are a long way from where we can make it interesting to Pastors

in other parts of the country. This fact accounts for our continued loss of men to other conferences.

There is a very noticeable increase of interest in the young life of the Church and Constituency, by the older members, and as a result the Sunday Schools and Epworth Leagues are larger and doing better work than in the past, and co-operation on their part, in return, gives promise of renewed and enlarged activities along all lines.

Reports made to the Fourth Quarterly Conferences by the Ladies Aid and Missionary Societies, both Home and Foreign, were very gratifying indeed, through these auxiliaries the material and Spiritual interests of the local churches in the District have been greatly helped.

Material improvements have been made on Church and Parsonage properties on about one-third the Charges on the District. While some of these have required only minor investments, two are outstanding in magnitude and importance. On the Bethel and Deadwood Charge we have built the largest Parsonage on the District. When this is finished it will represent an outlay of something over three thousand dollars. This is our Rural Home Mission and Church Extension "try out" enterprise, and when we undertook it last December the Pastor and Family had no place to be housed except in the church. Now Bro. Pynes and family are happy and comfortable in a ten-room house which by January 1st will be finished.

The second of these major enterprises is Trinity Church, San Antonio. It was in this new church we fully expected this Session to be held, but shortage of material forbid its completion in time. It is to be finished by about February 1, 1921, and when finished will be a credit to our District and Conference, it will be the best Church in the Conference, and not only so, it will represent an outlay of something like ninety thousand dollars and six years of ceaseless self-sacrificing toil on the part of its Official Board and the Pastor, Rev. H. C. Leonard.

Houston Heights was left to be supplied at our last session and in January the transfer of Dr. W. C. Rodgers of

Britton, South Dakota, was secured from the Dakota Conference and he was placed in charge. The year has been most prosperous. The Sunday School has made a gain of over one hundred per cent, a gain of over fifty per cent, net, has been made in church membership. All departments of the church are well organized and doing effective service.

We have needs, many, but there is only one panacea. Give us a Divinely called, thoroughly consecrated, well trained, energetic, and sympathetic ministry in sufficient numbers to properly man our field and we will enlarge and make serviceable our churches, circulate our publications, support our Connectional interests, put over a worth while Evangelistic campaign, recruit our Ministry, and within a very short time bring a very large per cent of our work to self-support, beside greatly extending our activities and showing all concerned that we have a mission in the South.

Personally, the year has been one of constant toil and deepest solicitude. I have given all my time and energy to this one task. In the solution of every problem I have exercised my best judgment. I have been painfully conscious of the sufferings of my Pastors and their families and have done all that seemed possible to relieve them. Our fellowship has been unbroken and our co-operation in the work of the Lord a delight. We close the year with devout thanksgiving to God for what of good has been accomplished, and with a realization of the fact that "the fields are white unto harvest".

Respectfully submitted

L. E. GOWER.

SOUTHERN DISTRICT.

The work on the Southern District, during the year closing, has been constant and in a measure fruitful. We have spent most of the time in the field. We have given much attention, especially during the summer months, to

evangelistic effort. A number of helpful revival meetings have been held. In some were manifest old time power. On many charges there have been conversions and accessions. Decision and Rally Days have been observed on most of the charges with good results. On the following charges the Pastor's salary has been increased, Port Arthur, \$500; DeQuincy, \$300; Welsh, \$300; Jennings, \$400; Kinder, \$150; Lutchter, \$180; Elton, \$150; Quitman, \$150; Raymond, \$150, and Sweet Lake, \$100.

At DeQuincy a beautiful bungalow parsonage is nearing completion. At Quitman a Church is completed, except the painting, valued at \$4000. At Loranger an electric plant has been installed and improvements made costing over \$1000. All indebtedness against the property at Iowa has been met, the Church and parsonage repaired and painted, costing \$1200. Pews valued at \$1000, have been placed in Church at Elton. At Weaver a new site has been purchased and \$2000 subscribed toward a more centrally located church. This should be made a model rural center. The Church when completed will cost \$5000. At Kinder the Church has been repaired and repainted at a cost of \$525. Queydan Church has been repainted and re-roofed, costing \$450. The site and \$1200 have been secured for a new Church at Homewood. The societies at Sweet Lake and Bell City will unite in the new Church. Port Arthur has paid \$1300 on debt and improvements.

Increased subscriptions to the Advocates are reported. Most of our Sunday Schools are supplied with our literature. We have done our best for the Centenary and Conference Claimants. The financial situation has been a great drawback and doubtless has delayed the payment of subscriptions. No one who has not been on the ground can appreciate conditions in the rice territory.

The Epworth League held a good convention in June, at Jennings, and voted to hold an institute next year.

The Southern District ministers to three white peoples, English speaking, Italian and French.

Our work among the Italian people is prospering as

perhaps never before. We have a good and growing congregation, a flourishing Sunday School and a live Epworth League. We now have a night school which is proving a success. The Woman's Home Mission Society has two efficient workers in the field. Perfect harmony prevails. The entire Church and Parsonage property is now free from all claim of man. Rev. A. Palmisano is the big hearted faithful Pastor.

Our work among the French has assumed unthought-of proportions. At Basile six French families have been received into the Church. The field has been surveyed and a number of open places await the messenger of truth. After the consultation with members of the Conference, the Board of Home Missions and Christian Endeavor and the Woman's Home Mission Society it was decided to open a school at Basile primarily for the French. This was done. The school is known as the Evangeline College. It is under the supervision of the Methodist Episcopal Church. This is the only Methodist school in America for French. We have a beautiful wooded campus donated by Mr. Walton McCain. We have a well equipped four-room building, as temporary quarters. The estimated value of the building is \$6000. This is more than provided for by a local subscription of \$17,500. Our immediate need is a dormitory and later a larger school building. The school is now operated as an academy. In the school are now taught the common branches, music, domestic science and art, agriculture, manual training, Bible and Church History. The school is opened with devotional exercises. Over 150,000 French people live within easy reach of this school. The school has increased in attendance from 21 on opening day, September 20, to 58 December 1st. I believe this school is worthy of the sympathy and support of the whole Church.

In April J. H. Gray moved from Lake Charles leaving the church vacant and in June J. B. Gilmore pastor at De Quincy withdrew from our Church and Ministry. Bruce B.

Corbin was secured for Lake Charles and C. M. Hollett for DeQuincy.

These men have proven true and efficient ministers of the Gospel. Lake Charles has responded to the touch of a master hand and De Quincy has recognized the worthy leadership of Dr. Hollett.

The other pastors and workers have remained faithful at their posts.

On Quarterly Meeting and other occasions when I have been with the pastors 46 have united with the Church. We need a larger constituency.

There have been some trying situations, but I can say that in every instance I have honestly tried to do the right, to be fair and impartial, and in every opportunity I have done my best.

FRANK W. LOY, D. S.

REPORT OF COMMITTEES.

THE STATE OF THE CHURCH.

We note with pleasure, that the Church is increasingly active, in pressing forward along the line of the ideals of Christ. We observe this,

First. In its increased interest in hospitals, its care for the sick, and suffering, homes for the aged and for helpless children.

Second. In its increased interest in education, by enlarging, improving and increasing the number of educational institutions; also in the large number, and character, of our publications, through which our people are given wholesome, and character building ideals. Among which are our Advocates, and especially the Central Christian Advocate, is the official organ of our Area, and is indispensable to an intelligent and well-informed constituency.

Third. In its large and comprehensive financial program and achievements.

We would do well, however, to remember that with increased activities comes increased light, and with increased light, comes increased responsibilities, and larger opportunities. The whole world is looking to the Church today for spiritual light and liberty. The ultimate end, and supreme task of the Church, is to lead the unsaved, to the Lamb of God that takes away the sin of the world.

Be it resolved, therefore, that we pledge ourselves to greater diligence in prayer, the reading of God's Word, and in devotion to God, the cause and kingdom for which our Saviour died.

SOCIAL SERVICE.

In harmony with the report of the Committee on Social Service at our last General Conference we believe that the Methodist Episcopal Church stands for equal rights and complete justice for all men in all stations of life; for the protection of the family for the single standard of purity, uniform divorce laws, proper regulation of marriage and proper housing; for such regulation of the conditions of toil for women as shall safeguard the physical and moral habits of the community; and for the fullest possible development of every child, especially by the provision of proper education and recreation, and by the abolition of child labor.

The Methodist Episcopal Church stands for the right of all men or the opportunity of all men for self-maintenance, safeguarding this right against encroachments of every kind, and for the protection of workers from the hardships of enforced unemployment.

It stands for suitable provision for the workers in old age and those incapacitated by injury; for the principle of conciliation and arbitration in industrial disputes, and for release from employment one day in seven.

It stands for the gradual and reasonable reduction of the hours of labor to the lowest practicable point, and for that degree of leisure for all, which is a condition of the highest human life, for a living wage as a minimum in industry and for the highest wage that each industry can afford, and for the most equitable division of the product of industry that can ultimately be devised.

It stands for the right of employers and employees to organize.

It stands for a new emphasis upon the application of Christian principles to the acquisition and use of property.

COMMUNITY SERVICE PROGRAM.

In the field of general social welfare we recommend that during the next four years the churches concentrate attention, or at least put stress upon unemployment, housing, prison reform and recreation. But its Supreme Social function is to educate the community in the fundamental principles which underlie these movements of social progress, to develop the atmosphere in which they are born.

Whereas, a grave situation exists in connection with industrial operations throughout our land, and because of conditions of unrest and discontent; *therefore, be it resolved*, That we individually and collectively as far as in our powers lies endeavor to make Jesus Christ King in finance, in industry, in government; to steady, to quiet and redeem society in all the ranges and reaches of personal life and relations.

EQUALIZING CONFERENCE TRAVELING EXPENSES

Your Committee on Equalizing Conference Expenses recommends:

1. That the railroad fare of every member, probationer, and supply be equalized for the Conference of 1921 on the following basis: Clergy rates on shortest railroad mileage

from and to the last appointment if it be within the bounds of the Conference or the nearest point in the Conference when traveling from outside the bounds of the Conference.

2. Inasmuch, as the work of the Conference is the work of the Church that the churches be requested to provide at least the equalized fare but the pastor shall pay if the church does not.

3. That any expenses other than railroad fare for the pastor be not equalized.

4. That a Fare Equalizing Committee of two be elected by this Conference whose duty it shall be to reckon the amount necessary for and from each pastor, notify him before Conference and make collections and disbursements at Conference.

A. J. PRICE

R. T. PYNES

C. W. RODGERS.

(Conference appointed E. J. Ensign and C. W. Rodgers as committee to carry out provisions of this resolution).

AUDITING COMMITTEE.

We earnestly request that the pastors see to it that their reports to the Conference Treasurer be in his hands properly made out not later than the first day of the Conference.

The accounts of the Conference Treasurer have been audited and found correct. The accounts of the Conference Board of Home Missions and Church Extension have been audited and found correct and all moneys received accounted for. Mrs. Mabel King Kelly, Treasurer of the Board is again especially commended for the correct and neat way in which the accounts of this Board are kept.

COMMITTEE.

FOREIGN MISSIONS.

The calls from the Mission fields were never greater nor more urgent. We must rise to the answering of these calls to the full measure of our ability. We must go forward in answering the command of Christ, "Go ye into all the world and preach the Gospel to every creature."

J. A. CARRUTH.

WOMAN'S WORK.

Committee for the Southern District: Mrs. Shrode, Mrs. Oliver, Mrs. Robinson, Miss D. E. Radeke, Mrs. Loy, Mrs. King, Mrs. Corbin.

Committee for Texas District: Mrs. Gower, Mrs. Ensign, Mrs. Leonard, Mrs. Rodgers, Mrs. Hayes, Mrs. Gates, Mrs. Hovey, Mrs. Caldwell, Mrs. Barrett.

Request was made that Mrs. H. E. Wolf represent the ladies of the Gulf Conference in linking up the Woman's work in the Wichita Area. The Women of the Districts are asked to take steps to have a Woman's Foreign and a Woman's Home Missionary Society and a Ladies Aid Society in every charge in which all the women of the District should be related. Where it is impossible for separate organizations that they be combined.

It was decided to hold anniversary services at the sessions of the Annual Conference in the afternoon. An hour being given to each Woman's Missionary Society. The Women's Committee of the Southern District shall be responsible for the meeting of the Home program and the Women's Committee of the Texas District for the Foreign program.

The District Superintendents are requested to arrange with pastors and people for the organization of the Woman's work according to these plans at the meeting of the next Quarterly Conference.

BOARD OF HOME MISSIONS.

There has been paid into the Board during the year, \$11,883.46 for maintenance from the General Board at Philadelphia. All of this amount has been paid out by the Treasurer, Mrs. Kelly, of the Conference Board, and she has sent the cancelled checks of all this amount to the Annual Conference. There has been paid into the Conference Board for Church Extension \$11,100.00, and this amount has been paid out to the churches under the Conference projects.

BENEVOLENCE AND CENTENARY.

While we recognize the magnitude and significance of the Centenary Campaign and rejoice in its marvelous initial success, we are increasingly impressed with the fact no one campaign or series of campaigns, however cast, can bring in the triumph of the Kingdom of Christ. This will come only when every church member has been adequately related to the program of Christ in his thinking and sympathy, in his prayer life, in his life purpose and through systemantic and adequate financial support.

To this end we rejoice in the thorough going organization and plans for conservation of the Centenary Movement throughout the Church and especially in Wichita Area. We urge every pastor to co-operate with our Bishop and his able assistants by carving out the Area program of Conservation as it has been presented to us during our Conference session.

We urge that the program of education and inspiration, and the effort to enlist intercessors, tithers and life service decisions be projected earnestly and continuously in all of our churches. We believe by doing this that not only will the immediate end of the Centenary be conserved, but our churches permanently will be lifted to higher levels and spiritual power and Kingdom efficiency.

A. J. PRICE
F. J. ENSIGN
B. B. CORBIN.

RESOLUTIONS.

We deeply appreciate the splendid manner in which the members of friends of the Collins' Memorial Methodist Episcopal Church have welcomed and entertained the members of the Conference. Special mention must be made of those ladies who daily spread the bountiful table.

We recognize the warm cordiality of the pastor, C. W. Rodgers, and though this be his first Conference with us we welcome him with heart and soul.

The Area Staff: Doctors H. E. Wolf, W. T. Ward and A. F. Peterson have opened to us new vistas of truth and success through their institute programs. We pledge the deeds we hope to do.

We welcome and warmly yield ourselves to the leadership of the Resident Bishop, Ernest Lynn Waldorf. He has become our leader by shareing our burdens, planning our work and lifting us to higher conceptions of our duty as ministers. He has dared us to do the whole task and we accept the challenge.

OFFICIAL CERTIFICATE.

After deciphering the reports of committees written on scraps of paper, blotting paper, etc., the Secretary still has a little reason left. No figures have been changed—only the spelling has been corrected. We do, therefore, certify that this is a correct Journal of the Gulf Annual Conference Session of 1920.

H. C. LEONARD, Secretary.
